

**The Erwin Rautenberg**  
College Guidance Program

JBBBSLA's **Erwin Rautenberg College Guidance MAIN Coach Program** matches highly motivated 11th and 12th grade students with professionals who serve as positive role models and advocates for them as they pursue higher education.

## How You Can Make An Impact Now

- Nurture students' educational and personal aspirations by providing a supportive and safe forum for shared conversation and collaboration.
- Serve as a mentor and advocate for students as they pursue their goals of going to college and establishing a career.
- Share time, knowledge, and experience about college and career-oriented topics, such as applying to college, transitioning from high school to college, obtaining an internship, and networking.

# Make An Impact Now. Become a MAIN Coach today!

### Why Become a MAIN Coach

- Have an opportunity to interact with and support highly motivated high school students to succeed.
- Help students gain perspective and insights on going to college and exploring careers.
- Become part of a community of professionals who value and believe in the impact of youth mentorship.

### Who Should Join

- Be interested in engaging and working with high school-aged students.
- Commit to working with a student for at least one year.
- Be willing to actively participate and commit to fulfilling the expectations for MAIN Coaches.
